

EYELASH CARE GUIDE

It is important to follow the following Lash care to maintain the best results of you new eyelash extensions.

- Do not get lashes wet for the first 2 hours after procedure.
- Do not steam face, use steam bath, swim, wash face with hot water for the first 2 days.
The lashes adhesive take 48 hours to set.
- Do not use water proof mascara on lashes.
- Only use oil free mascara remover on lashes.
- Only water soluble mascara can be used on tips only.
- Do not use an eyelash curler on lash extensions ever.
- Do not rub eye's when washing face.
- Do not pull lashes off. This will damage your natural lashes.
